4. Problems

25X1A9a

25X1A9a

The transfer of [REDACTED] and especially of [REDACTED] seriously affect intelligence maintenance and fulfillment of the plan for FY '58. Additional releases of analysts, at this time, would seriously curtail the capability of the Branch to perform all its functions satisfactorily.

5. Recommendations

25X1A9a

25X1A9a

It is attempted to obtain replacements for [REDACTED] and [REDACTED] as fast as possible, preferably by attracting experienced prospects inside CIA. Your support in these efforts would be greatly appreciated.
